

Holding On To You

Carrollton

I've been looking for a peace of mind
I've been looking for a reason why
This aching in my soul
Has torn me in two
A pain no one could know
But only You

All of this trouble I've been feeling
Tries to weigh me down
Wish I could break through that ceiling
And fly my way out
When I can't catch my breath
And there's nothing left to hold on to
I'm holding on to You

The sun is gonna rise once again
Your promise is the hope that I believe in

And all of this trouble I've been feeling
Won't weigh me down
I'm gonna break through that ceiling
And fly my way out
When I can't catch my breath
And there's nothing left to hold on to
I'm holding on to You
To You, my Lord

And though my strength may fail
I know my heart is held by You
I see a new sun rising

And all of this trouble I've been feeling
Could never keep me down
Cause Your grace is my healing
And You're here with me now
When I can't catch my breath
And there's nothing left to hold on to
I'm holding on to You

When I can't catch my breath
And there's nothing left to hold on to
I'm holding on to You
Lord, I'm holding on to You
The sun is gonna rise
Once again
