

# Let Love Win

Carrollton

Lord, Your love builds bridge that cannot be burned  
It speaks truth that cannot be learned  
It's a treasure we can never earn  
Oh, It goes places we're afraid of going  
It's not a fist  
It's a hand wide open  
Reaching out to the down and broken

We believe Your love is the strongest way  
You're tearing down walls  
And You break our chains  
Even in this darkness  
Hope will rise again  
When we lay down our weapons  
We will let love win  
Lord, we lay down our weapons  
And we let love win

Lord Your love is a friend to its enemies  
It takes a hit then turns a cheek  
You laid down your life for peace  
Love won't cast a single stone  
It's never proven by words alone  
You come alive in our flesh and bones  
And in our souls

We believe Your love is the strongest way  
You're tearing down walls  
And You break our chains  
Even in this darkness  
Hope will rise again  
When we lay down our weapons  
We will let love win  
Lord, we lay down our weapons  
And we let love win

What if fighting for our beliefs  
Looks more like surrendering  
Though that's the hardest thing  
And what if standing up for what's right  
Means laying down our pride  
Even laying down our lives

We believe Your love is the strongest way  
You're tearing down walls  
And You break our chains  
Even in this darkness  
Hope will rise again  
When we lay down our weapons  
We will let love win

We believe Your love is the strongest way  
You're tearing down walls  
And You break our chains  
Even in this darkness  
Hope will rise again  
When we lay down our weapons

We will let love win  
Lord, we lay down our weapons  
And we let love win
