

All The Way

Cartel

One, two, three, four
I see you all the time
I see you in a video
Running through my head
I hear that you're a fiend
You love and let nobody know where you go
Why didn't you come back to me?
I'll give you whatever you want
Turn around on the way out
And you will find
I needed you all the way
Now, if you don't mind
I never needed anything
Anything but this tonight
I needed you to tell me
What was wrong
Why didn't you come back to me?
I'll give you whatever you want
Then turn around on the way out
And you will find
I needed you all the way
Now, if you don't mind
But this is just like everything
I told you he would say
But why wouldn't you just listen?
So it wouldn't end up this way
It wouldn't end up this way
Now, why didn't you come back to me?
I'll give you whatever you want
Turn around and you will find
I needed you all the way
Now, if you don't mind
Now, say why didn't you come back to me?
I'll give you whatever you want
And turn around and you will find
I needed you all the way
Now, if you don't mind
I needed you, I know you needed me
