## Disconnect

I'd like to show you what I'm made of I'd like to show you a thing or two Cause I got a few friends I got a good nerve to fight And we know just what it feels like, yeah What it feels like to lose

We won't give up, we won't give in We won't give anything again We're on our own, gotta finish it We can't let anything resist We never wanted it to be like this Wanted it to be like this Just keep pushing till the pieces fit Can we disconnect

They wanna bury you in secrets They wanna tell you what you should do And they got a million excuses But we know what it means to lose

And we won't give up, we won't give in We won't give anything again We're on our own, gotta finish it We can't let anything resist We never wanted it to be like this Wanted it to be like this Just keep pushing till the pieces fit Can we disconnect

From a wall that would pull us down As long as we're still standing We're gonna hold our ground

We won't give up, we won't give in We won't give anything again We're on our own, gotta finish it We can't let anything resist We never wanted it to be like this Wanted it to be like this Just keep pushing till the pieces fit Can we disconnect

From a wall that would pull us down Can we disconnect We're gonna hold our ground Can we disconnect Cartel
