Write this down
Remember every word
You're not the things they told you way back then
You're so much more than ideas in your head
So bury them
And keep them so they can return when you're alone
And so that you can fight them in the end
Ooo Ooo Ooo Ooo

Boy you know i'm sick and tired of healing all your pain
It's time for you to know the truth
And cast your cares away

Boy you know i'm sick and tired of healing all your pain
It's time for you to know the truth
And cast your cares away

And i'm so sorry
It took too long to let you know that
It's alright, and it's ok
Cause they mean nothing anyway
Well soon you'll say that you're so alone
Well loneliness is all we get
Get used to it

Boy you know i'm sick and tired of healing all your pain
It's time for you to know the truth
And cast your cares away
And i'm so sorry
It took too long to let you know that
It's alright, and it's ok
