

I'm just smokin' cigarettes in the backyard  
So why you runnin' your mouth like a track star?  
I'm just tryna cleanse my aura for the weekend  
I might have to sage the hate you're preachin'

I don't care who you came with  
I don't care who you stay with  
I don't care who you lay with tonight  
All I'm sayin' is

We all came here to have a good time  
Ain't no one gonna make it out of life alive  
Would it kill you to not be such a buzzkiller?  
Why do you care who's kissin' on who?  
Who's findin' their high in the back bathroom?  
You sound bitter  
Why you gotta be, why you gotta be a buzzkiller?

Let me go ahead and tell you what your problem is  
No one gives a shit who you got problems with  
Why you always got such a bad attitude?  
It's Friday night, baby, no one's mad at you

We all came here to have a good time  
Ain't no one gonna make it out of life alive  
Would it kill you to not be such a buzzkiller?  
Why do you care who's kissin' on who?  
Who's findin' their high in the back bathroom?  
You sound bitter  
Ooh, why you gotta be, why you gotta be a buzzkiller?  
Oh-oh, oh, oh, oh-oh, oh

I don't care who you came with  
I don't care who you stay with  
I don't care who you lay with tonight  
All I'm sayin' is

We all came here to have a good time  
Ain't no one gonna make it out of life alive  
Would it kill you to not be such a buzzkiller?  
Why do you care who's kissin' on who?  
Who's findin' their high in the back bathroom?  
You sound bitter, so bitter  
Why you gotta be, why you gotta be a buzzkiller?

A buzzkiller  
Why you gotta be, why you gotta be a buzzkiller?
