

## Aliens Ain't Shit

Carter Vail

Aliens ain't shit, I could probably beat them up  
If an alien came at me, no, I would not give a fuck  
That's 'cause aliens don't know karate  
No, karate's made on earth  
I also don't know karate  
But I think that I could learn  
Aliens have spaceships  
I got a Corolla  
Hog tied aliens, back of my Toyota  
Oh no, aliens don't know karate  
No, karate's made on earth  
I also don't know karate  
But I think that I could learn

Aliens ain't shit  
Aliens ain't shit  
A-a-aliens ain't shit  
No, karate's made on earth
