

# ASTROBOY

Carter Vail

If I'm being honest  
I don't really know what I'm running for  
Sitting on your sofa  
Big wheels big teeth I'm a hot tamale

Drifting like a comet  
I don't really know what I'm heading towards  
I could try to fix it  
Or I could just kill some dinosaurs

Staring at the ceiling  
Feeling like the Earth goes back and forth  
Get a little seasick  
Just another sailor overboard

Houston can you call me  
I just want to talk to someone  
I just want to talk  
The days are getting longer

Try to give in  
Take a little  
Get a bit sentimental  
For a minute  
Try to give in  
Take a little  
Get a bit sentimental  
For a minute  
Try to give in  
Take a little  
Get a bit sentimental  
For a minute  
Try to give in  
Take a little  
Get a bit sentimental  
For a minute

Houston can you call me  
I just want to talk to someone  
I just want to talk  
The days are getting longer

Try to give in  
Take a little  
(Here it goes again)  
Get a bit sentimental  
For a minute

(Sitting on your star)  
Try to give in  
Take a little  
(Oh it's been so long)  
Get a bit sentimental  
(Oh it's been so long)  
For a minute  
Try to give in  
Take a little

(Space and time it bends)  
Get a bit sentimental  
For a minute  
(I wonder where you are)  
Try to give in  
Take a little  
(Oh it's been so long  
Get a bit sentimental  
(Oh it's been so long)  
For a minute

Try to give in  
Take a little  
(Oh it's been so long)  
Get a bit sentimental  
For a minute  
Try to give in  
Take a little  
Get a bit sentimental  
For a minute
