

# I WANT YOU

Carter Vail

You're uninvited to my party  
But you're living in my head  
I am trying not to think about  
All the stupid shit I said  
As we were standing in the kitchen  
At your brother's barbecue  
I make my way into the backyard  
I am diving in the pool, 'cause

I want you  
(I want, I want you  
I want, I want you)  
I want you  
(I want, I want you  
I want, I want you)  
I want you  
(I want, I want you  
I want, I want you)  
I want you  
(I want, I want you  
I want, I want you)

Yes, I think we've got potential  
Yes, I think I think too much  
We're surrounded by the lions  
And I'm a baby giraffe  
You are turning up the TV  
You are finishing your drink  
I am tightening my bonnet  
As I vomit in the sink, 'cause

I want you  
(I want, I want you  
I want, I want you)  
I want you  
(I want, I want you  
I want, I want you)  
I want you  
(I want, I want you  
I want, I want you)  
I want you  
(I want, I want you  
I want, I want you)

Slipping out of my mouth  
I just wanna be something to you  
No, it's not a breakdown  
Everybody's got something to lose  
Maybe we can find out  
Sink into the bottom of your pool  
I think that it's a breakdown  
Everybody's waiting for you  
Now walk it out  
I don't want to be the voice of reason  
Talk to me, talk to me now  
In your head while you're trying to sleep in

I want you  
I want, I want you  
I want, I want you  
I want you  
(I don't want to be the voice of reason)  
I want, I want you  
I want, I want you  
I want you  
(Talk to me, talk to me now)  
I want, I want you  
I want, I want you  
I want you  
(In your head while you're trying to sleep in)  
I want, I want you  
I want, I want you  
I want you  
(Talk to me, talk to me now)  
I want, I want you  
I want, I want you  
I want you  
(I don't want to be the voice of reason)  
I want, I want you
