

# Nashville

Carter Vail

When I think about Nashville  
I think about where you used to live  
Your shitty apartment  
You only stayed there for a year  
You're standing in the book store  
Flipping through a field guide  
Smiling at the pictures  
Of Serengeti wild-life

Woah, ohh-oh-oh  
Woah, ohh-oh-oh  
Woah, ohh-oh-oh

When I think about Nashville  
I think about you showing up on my lawn  
With your mother  
Betta fish-tank in your arms  
We named it Annie  
It only lasted for a month  
Isn't that how it always goes (ohh-woah-oh)

All and all I'm pacing by the phone  
And I know it never rings  
Like a dog without a bone  
A dog without a bone  
(Ohh-woah-oh, ohh-woah-oh)

(I don't wanna go, I don't wanna go)  
(I don't wanna go, I don't wanna go)  
(I don't wanna go, I don't wanna go)  
(Anymore)

When I think about L.A  
I think about you laying in your bed  
Wherever that may be  
All the things I should've said  
I could've gone out more  
America legion Tuesday fell  
I should've gone out more  
You should've called on someone else

It's better to see you all on your own  
Than know that you're out there moving on  
I wish I wasn't like that

All and all I'm pacing by the phone  
And I know it never rings  
Like a dog without a bone  
A dog without a bone  
(Woah-ohh-oh)

Like a dog without a bone (Woah-ohh-oh)  
(I don't wanna go, I don't wanna go)  
(I don't wanna go, I don't wanna go)  
Like a dog without a bone  
(I don't wanna go, I don't wanna go)  
(Woah-ohh-oh)

It's better to see you all on your own  
Than know that you're out there moving on

When I think about Nashville  
I think about packing up the car  
I think about it often  
Driving through the dark  
I smiled for the picture that we took when Jake was here  
I smiled for the picture, Ohhhh
