

# Velvet

Carter Vail

Kama Sutra  
Does it suit ya?  
Your velvet dress is slipping off  
Would you stay with me?

It's coming through ya  
Never knew ya  
Never knew how much it'd mean  
When you spoke to me

But everyone needs something  
I know that I'm no different

Swore picket fences  
Meet your parents  
Cast your shoes off in the pool  
Don't it seem?

Carolina  
Treat you better  
I won't steal and I won't cheat  
Would you stay with me?

But everyone needs something  
I know that I'm no different  
And if you're not home I'll be happy for you  
I'm happy for you
