

Hippie From Mississippi

Cartoons

He's a hippie born in Mississippi
He's a hippie born in Mississippi
And his hair is far too long

Everybody thinks it's wrong
He's a hippie, Mississippi, happy hippie

Wiggy waggy Willy
Chewing on a chili
Trying to impress everyone (ooh)
When he let his hair down
It could almost touch the ground
Come on, everybody, let's have fun (lose the wig)

He's a hippie born in Mississippi
He's a hippie born in Mississippi
And his hair is far too long
Everybody thinks it's wrong
He's a hippie, Mississippi, happy hippie

Hippie yai yai hippie hippie yai yai
Hippie yai yai hippie hippie yai yai
And his hair is far too long
Everybody thinks it's wrong
He's a hippie, Mississippi, happy hippie

When there was a party
Willy got real naughty
Watching girls dress from below
He was jumping up and down
Never really touched the ground
Girls told him, "Quit the hippie show" (lose the wig)

He's a hippie born in Mississippi

And his hair is far too long
Everybody thinks it's wrong

Time went by, Willy settled down
In a small town as the mayor
He found a chick and married her
Had five kids with long hair

Now they're hippies born in Mississippi
Now they're hippies born in Mississippi
And they're hair is far too long
Everybody thinks it's wrong
Now they're hippies, Mississippi, happy hippie

Hippie yay yay, hippie hippie yay yay

Hippie yay yay, hippie hippie yay yay
And their hair is far too long
Everybody thinks it's wrong
