

Shooby Dooby Baby

Cartoons

Pa ra ra ram, pa ra ra ram
Pa ra ra ram, pa na na na na na nam

I seem to miss you even though you're here
How can my heart feel so lonely
Baby, baby, don't let it wear you down
I'll always be your one and only

Be my shooby dooby baby
Be my love tonight
Be my shooby dooby baby
Be my friend for life

Pa ra ra ram (shooby dooby baby)
Pa ra ra ram (friend for life)
Pa ra ra ram, come be my baby tonight

The more you look at me, I realize (realize)
You need much more than a lover (much more than)
Baby (baby), maybe (maybe)
This time you've got it right
I simply cannot love another

I want to miss you
Hug and kiss you
I want a friend just like you

Be my shooby dooby baby
Be my love tonight
Be my shooby dooby baby
Be my friend for life

Be my shooby dooby baby
Be my love tonight
Be my shooby dooby baby
Be my friend for life

Be my shooby dooby baby
Be my love tonight
Be my shooby dooby baby
Be my friend for life

Be my shooby dooby baby
Be my love tonight
Be my shooby dooby baby
Be my friend for life

Pa ra ra ram (shooby dooby baby)
Pa ra ra ram (friend for life)
Pa ra ra ram, come be my baby tonight...
