

Crush

Cary Brothers

I'm holding your hand in my mind
It's been a long time
Since I thought that I'll be fine
I got beat up, bruised
The last time that I tried
But a night with you
Has made me realize, I...

I've got a crush
I've got a crush on you
I've got a crush
I've got a crush on you
I've got a crush
I've got a crush on you
And it's enough
I've got a crush on you

We only told dreams of our lives
And you were so kind
'Cause you know this pain I hide
And you lean in, softly kiss my cheek goodbye
It sparks the fuse that makes me realize, I...

I've got a crush
I've got a crush on you
I've got a crush
I've got a crush on you
I've got a crush
I've got a crush on you
And it's enough
I've got a crush on you

Is this the way to hope?
Lost it long ago
Is this the way to hope?

I've got a crush
I've got a crush on you
I've got a crush

I've got a crush
(This is our time)
(Is this the way to hope?)
I've got a crush on you
(Just you and I forever)
I've got a crush
(This is our time)
(Is this the way to hope?)
I've got a crush on you
(Just you and I forever)
I've got a crush
(This is our time)
(Is this the way to hope?)
I've got a crush on you
(Just you and I forever)
And it's enough
(This is our time)

(Is this the way to hope?)
I've got a crush on you
This is our time
