

# Heaven

CARYS

Bad girls go to heaven too  
I went there tonight with you

Yeah, I've broken a lot of hearts  
But I served my time  
Probably should've loved you from the start  
God knows I tried  
And I know  
That you think I'm enigmatic  
Between us, I'm an addict  
Looking for the light, light, light

Bad girls go to heaven too  
I went there tonight with you  
And I think you're feeling something  
What'd I do? What'd I do?  
Bad girls go to heaven too  
We do what we wanna do  
And I think you're falling for it  
What I do, it's what I do, oh

Now we're dancing in the dark  
Wanna cross the line?  
Think you're seeing more than sparks  
And you're terrified  
And I know  
That you think I'm problematic  
Pulling you in magnetic  
I don't have to try, try, try

Bad girls go to heaven too  
I went there tonight with you  
And I think you're feeling something  
What'd I do? What'd I do?  
Bad girls go to heaven too  
We do what we wanna do  
And I think you're falling for it  
What I do, it's what I do, oh

If I were to perish  
I wouldn't be scared to  
Find myself in hell alone with you  
When my kingdom comes  
The damage will be done  
I know that I've got nothing left to lose

Bad girls go to heaven too  
I went there tonight with you  
And I think you're feeling something  
What'd I do? What'd I do?  
Bad girls go to heaven too  
We do what we wanna do  
And I think you're falling for it  
What I do, what I do
