

## Love (Validation)

CARYS

Not looking for much  
Just a little validation  
I'm having trouble finding ways to trust  
Never built the foundation  
That I need to have all of that  
That sweet love  
No, it's all too much  
But it's not enough  
All I ever get from your touch  
Is a little validation

And it's never enough, never enough, never enough, ooh  
Doesn't fill me up, fill me up, fill me up, ooh, like

Love  
What do I gotta do to get some love?  
Why does it gotta hurt to feel so much?  
Like a tidal wave that I can't escape  
Try to run away to anyone like me  
Anyone who needs  
Love, love, love  
What do I gotta do to get some love?

Not doing enough  
To be taking care of myself  
Tried to put it on somebody else  
And, yeah, I put him through hell  
Knowing that I needed more of  
That self-love  
But I'll learn to trust  
That I'm enough  
So I don't need to lean on your touch  
For a little validation

'Cause it's never enough, never enough, never enough, ooh  
Doesn't fill me up, fill me up, fill me up, ooh, like

Love  
What do I gotta do to get some love?  
Why does it gotta hurt to feel so much?  
Like a tidal wave that I can't escape  
Try to run away to anyone like me  
Anyone who needs  
Love, love, love  
What do I gotta do to get some love?

'Cause it's never enough, never enough, never enough, ooh  
Doesn't fill me up, fill me up, fill me up, ooh, like

Love  
What do I gotta do to get some love? (What do I gotta do?)  
Why does it gotta hurt to feel so much?  
Like a tidal wave that I can't escape  
Try to run away to anyone like me  
Anyone who needs  
Love  
What do I gotta do to get some love?

Why does it gotta hurt to feel so much?  
Like a tidal wave that I can't escape  
Try to run away to anyone like me  
Anyone who needs  
Love, love, love  
What do I gotta do to get some love?

Mmm
