

No More

CARYS

Bare feet on the sidewalk
Does anybody wanna walk me home?
I'm drunk, I lost my shoes and I'm alone
I look right at you, tryna hint that it's getting cold
You sigh and tell your friends you gotta go

You're not somebody I wanna lean on no more
You're not somebody I'm gonna lean on no more

Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah (No more)
No more hands on my body
Don't wanna hang with you way past three
You're not somebody I'm gonna lean on (No more)
Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah

Not a word from you all night
You got your eyes glued to your phone
I'm done, you're with me but I feel alone
I been right here all night
Don't know how you can be so cold
And still, all I want is to be close

You're not somebody I'm gonna lean on no more
You're not somebody I'm gonna lean on no more

Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah (No more)
No more hands on my body
Don't wanna hang with you way past three
You're not somebody I'm gonna lean on (No more)
Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah

You took my breath away and now I take it back
Now I take it back, oh, oh, oh
You took my breath away and now I take it back
Take it just like that, ah, ah, ah

Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah (No more)

No more hands on my body
Don't wanna hang with you way past three
You're not somebody I'm gonna lean on (No more)
Hey yeah, hey yeah, hey yeah (No more)
Hey yeah, hey yeah, hey yeah (No more)
