

Sad Stories

CARYS

I choose to
Forgive you
I owe you nothing
I owe you nothing
You step down
My turn now
I'll tell you something
I'll tell you something

My sad stories are the ones
I get to tell
You don't know me
You don't know me, yeah
My bad habits are the ones
You love to sell
You don't own me
You don't wanna

Climb inside my brain
Care about what I say
You don't wanna play, yeah
You play
Everybody's games
Driving me insane
That's what's gonna change
That's what's gonna change
That's what's gonna change

Get up on my wave
Or get out of my way
Get out of my way

I wanna dance with somebody
Yeah, I'm the life of the party
Do what I want with my body
It's who I am I'm not sorry
I don't answer to nobody but me
I don't answer to nobody but me

My sad stories are the ones
I get to tell
You don't know me
You don't own me, yeah
Your bad habits haven't
Served you very well
You don't own me
You don't wanna

Climb inside my brain
Care about what I say
You don't wanna play, yeah
You play
Everybody's games
Driving me insane
That's what's gonna change
That's what's gonna change
That's what's gonna change

Get up on my wave
Or get out of my way
Get out of my way
I wanna dance with somebody
Yeah, I'm the life of the party
Do what I want with my body
It's who I am I'm not sorry
I don't answer to nobody but me
Worship me all on your knees
Answer nobody but me

Get up on my wave
Or get out of my way
Get out of my way
