You know where the Nets play
Out in Brooklyn shootin' niggas in broad day
Runnin' off on the plug, nigga that's no way
Out in Brooklyn, gettin' brick from the oway
It's two times, comma that
Brooklyn bring that money back
Tried to catch me slippin' Lust
Left with a hunnid pack
Shooters like a quarterback
Money long, I ordered that
You should never thought of that
Now you can't get your daughter back

Niggas tryna book me for my watch
They ain't know I had the Glock
(Boom, boom, boom)

Big timer, headliner, my money up

Man down, swiper came to take his life
Paid down, rent a shooter somethin' light

Gettin' to the mula, ya I know that shit be killin' 'em
