

## Down Fall

Casanova

Our Father who art in Heaven, hallowed be thy name, thy kingdom come  
Thy will be done on earth as it is in Heaven  
Give us this day our daily bread and forgive us our trespasses as we forgive  
those who trespass against us  
Lead us not into temptation, but deliver us from evil  
Lord Jesus, please protect my family, my kids  
Lord, you know me (God, if you hear me), I'm tryna do right (Please, God, ca  
ll)  
Lord, protect me from my enemies  
Amen

Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
And, Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Prayin' on my downfall, prayin' on my downfall

I'm talkin' to the Lord like, "Please answer my calls"  
Protect me from the frauds, I feel the Devil gettin' strong  
Circling the block before I park is in the norm'  
These niggas want me dead, I swear these niggas want me gone  
I swear I never did them wrong  
40s sound like thunder, bullets rainin' in the storm  
I'm in my rarest form, but I gotta keep it calm  
I can't let them see my moves, they tryna use me like a palm  
No weapon should be formed  
And if it do, I grab my weapon and preform  
Eyes open, stay woke, no alarms  
'Cause I know my kids gon' miss me if I'm gone

Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
And, Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall

I'd rather see me rap, they'd rather see me trapped  
I'm tired of givin' niggas packs and not gettin' nothin' back  
Oh, you made the name, you can take that shit back  
It come with jealousy and felonies, that's a fact  
You make a lot of money, they get mad at you  
Told my dope heads, "Position caught a attitude"  
I thanked you when you starve for the gratitude  
I was chained in a cage like an animal  
Then I made it out, bought a larger house  
Do it for my family, niggas do it for the clout  
I finally figured it out, you niggas don't even count  
I finally figured it out, you niggas don't even count  
I'm out

Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
And, Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Lord, if You hear me, please answer my call  
My own niggas tryna kill me, prayin' on my downfall  
Prayin' on my downfall, prayin' on my downfall
