

# Hate Me

Casanova

I don't know why these niggas hate me  
I'm just tryna free my babies  
They said even God couldn't save me  
So I'm dancin' with the devil, shit is crazy

My own family tryna play me  
Askin' for a mil', I say, "You crazy"  
I'm peepin' the judge tryna slay me  
I was in the ken', I was a baby  
I ain't never fold, it didn't break me  
I'm an ape in the jungle, they can't cage me  
Shot a nigga in the face, he tried to play me  
He ain't know I had the Glock, shit got crazy  
I been havin' nightmares on the daily  
Thinkin' 'bout the drill I did with JC  
It was four niggas by the [?]  
Spinned the block, cocked the Glock, and killed three

But I don't know why these niggas hate me  
I'm just tryna free my babies  
They said even God couldn't save me  
So I'm dancin' with the devil, shit is crazy

I ain't even get a hit yet  
But I can show you how to chef and bring a [?] back  
I can show you how to fly up in a big jet  
First, you get the money, then the power, then respect  
I know the feds tryna get me  
But I don't care, when I'm ridin', I keep my blicky  
In the Barclay, a bullet coulda hit me  
They asked for a statement, I said, "Suck deez nuts"

I don't know why these niggas hate me  
I'm just tryna free my babies  
They said even God couldn't save me  
So I'm dancin' with the devil, shit is crazy
