

Please

Casanova

Yeah, I don't even give a fuck if you got a man, I don't, I, I
just, I just don't
I'm okay, I got a girl too (Fuck that nigga)

Please let me be your side nigga (Nigga), I'm just tryna vibe w
ith you (Yeah)
Roll somethin', get high with you (With you), I ain't tryna be
outside with you
Please let me be your side nigga (Nigga), I'm just tryna vibe w
ith you (Yeah)
Roll somethin', get high with you (With you), I ain't tryna be
outside with you

'Cause I know, I know if we get caught, then we goin' viral
Got you in the bed and you hittin' high notes
The way I hit that bumper, you gon' need GEICO
One, two, three to the four
Before we hit the crib, we started fuckin' at the door (Uh)
Five, six, seven to the eight (Hold on, hold on, hold on, I don
't give a fuck)
You went down low, I started bustin' in your face (Boom, boom,
boom)

Please let me be your side nigga (Nigga), I'm just tryna vibe w
ith you (Yeah)
Roll somethin', get high with you (With you), I ain't tryna be
outside with you
Please let me be your side nigga (Nigga), I'm just tryna vibe w
ith you (Yeah)
Roll somethin', get high with you (With you), I ain't tryna be
outside with you

'Cause I know, I know, all for the rhino, I been with Zyko
At war with the pussy, I came with a rifle
I been on your body since you got that light bulb (That shit go
od)
Call Paul, he's chillin' at my crib
Your man hit your phone, you say you pickin' up the kids (What
the fuck?)
But I'm already in her ribs (Uh)
I hit it raw, I'm tryna have another kid (Ah)

Please let me be your side nigga (Nigga), I'm just tryna vibe w
ith you (Yeah)
Roll somethin', get high with you (With you), I ain't tryna be
outside with you
Please let me be your side nigga (Nigga), I'm just tryna vibe w
ith you (Yeah)

Roll somethin', get high with you (With you), I ain't tryna be
outside with you

Please

Please stop playin' with me like

You can't take a nigga soul and then try to act like you ain't
tryna be a nigga main side bitch

Like, I just wanna be your side nigga

I ain't even gon' lie
