

Run The Town

Casanova

You ain't tough, you a motherfuckin' buster
Say somethin' then I motherfuckin' touch ya'
You ain't tough, you a motherfuckin' buster
Say somethin' then I motherfuckin' touch ya'
I'm runnin' down, nigga, I'm runnin' down
I'm runnin' down, nigga, I'm runnin' down
I'm runnin' town, nigga, I'm runnin' town
I'm runnin' town, nigga, I'm runnin' town

I'll take your life, with a knife
Fuck the vice, this for Tamir Rice
I'm Eric Garner, standin' on that corner
You a goner if I run up on ya'
You a racist? You a coward
Scream it louder, "Black Power"
I got an AK for the KK
I got a bigger friend for George Zimmerman
Trump in office, who's voting?
They killed Nia Wilson out in Oakland
Let's get the cracker who attacked her
I'm feelin' blacker, they better call for back up

You ain't tough, you a motherfuckin' buster
Say somethin' then I motherfuckin' touch ya'
You ain't tough, you a motherfuckin' buster
Say somethin' then I motherfuckin' touch ya'
I'm runnin' down, nigga, I'm runnin' down
I'm runnin' down, nigga, I'm runnin' down
I'm runnin' town, nigga, I'm runnin' town
I'm runnin' town, nigga, I'm runnin' town

I'm walkin' 'round lookin' for the Klan
For what they did to Freddie Gray in the van
Don't give a damn, time to rebel
For what they did to Walter Scott and John Bell
Fuckin' nerve of them to say we murderin'
When they murdered 'em, out in Ferguson
It's time to strike back, time to strike now
It's time to fight now, R-I-P to Mike Brown
Philando Castile, you a hero
But to them people, your life was worth zero
Look how they left you in your vehicle
Shot [?], I'm [?], I'm irate

You ain't tough, you a motherfuckin' buster
Say somethin' then I motherfuckin' touch ya'
You ain't tough, you a motherfuckin' buster
Say somethin' then I motherfuckin' touch ya'
I'm runnin' down, nigga, I'm runnin' down
I'm runnin' down, nigga, I'm runnin' down
I'm runnin' town, nigga, I'm runnin' town
I'm runnin' town, nigga, I'm runnin' town
