

So Drippy

Casanova

Used to be my dog, [?] my left titty
It was time to ride, you ain't ride with me
We used to fuck it up, back to back Bentleys
Got a bag and ran it up, we were so drippy
So drippy, so drippy
So drippy, so drippy, nigga
So drippy, so drippy
So drippy, so drippy, nigga

So drippy, so drippy (Drippy)
So drippy, so (Woo, drippy)

I thought you was my dog
We done broke the laws
Got that drip upfront
I give thanks to the Lord
Bought a Birkin for my broad
Penthouse Sweden, luxury cost
[?] my dog, we used to starve
And we got more bags than Santa Claus
Diamond wedding rings all on my paws
I done got so high, mama had to check my pulse
I'm thankful for my life, shit done made me a boss
I done climbed to the top, ain't use a claw
Ayy, Casanova, I'm cut from a different cloth

So drippy, so drippy (Drippy)
So drippy, so (Every time)
Used to be my cuz, [?] my left titty (Drippy)
It was time to ride, and you ain't ride with me (Ohh)

Thought you was my blood, shit went left like cuz
We was drippin' like a flood
You was wired, you was bugged
You infront the judge, well the hit you with the judge
Now you praying to the jury, should I ice you like my jewelry?
[?] bag on [?], matching Pateks and a Presi'
We was trappin' out a Chevy
Smoke that loud, we was smokin' reggie
Hurt my heart, it was scary
Talk like broads, you too petty
Off them pieces got the Bentley
Like Gunna, we was drippy

So drippy, so drippy (Drippy)
So drippy, so drippy (Ayy)

Used to be my dog, [?] my left titty
It was time to ride, you ain't ride with me
We used to fuck it up, back to back Bentleys
Got a bag and ran it up, we were so drippy
So drippy, so drippy
So drippy, so drippy, nigga
So drippy, so drippy
So drippy, so drippy, nigga

So drippy, nigga

So drippy, nigga
