

# That One

Casanova

Before I die Imma catch a body  
Before I die Imma rob somebody  
Before I die I'll flip the whole brick  
Before I die you'll get the whole clip

Cause I pack guns  
I stack ones  
I'm that one  
I'm that one, that one, that one  
That one, that one  
That one, that one

At the train station with a rubber grip  
They got me crying cause my mother sick  
And they ain't give him a bail I know my brother sick  
I guess it's me against the world I'm on some other shit  
Lemme take you back to that hoolie shit  
[?] shooting on some movie shit  
Remember when I bought my first mask  
Didn't go to church I went to Church Ave  
Rob niggas and I sold drugs  
Whole hood Crip, but I turned Blood  
Didn't care about myself or nobody else  
Til' I told myself, there's nobody else

Cause I pack guns  
I stack ones  
I'm that one  
I'm that one, that one, that one  
That one, that one  
That one, that one

Dad I remember nights that we ain't speak  
I remember nights that I ain't sleep  
Outside hustlin' on them mean streets  
Pocket shallow but the pain deep  
Always had a fight, woulda stole one  
If you got on a page you got the whole one  
Only thing I never did was snatch a purse  
But I put a nigga in a hearse  
DFY only made me worse  
Even my mother told me that I'm cursed  
Said I'm just like my father, and that shit hurt  
Said I'm just like my father, and that shit hurt

Before I die Imma catch a body  
Before I die Imma rob somebody  
Before I die I'll flip the whole brick  
Before I die you'll get the whole clip

Cause I pack guns  
I stack ones  
I'm that one  
I'm that one, that one, that one  
That one, that one  
That one, that one
