

What's A Opp?

Casanova

What's an opp? An opp is when you shoot a nigga right in front
the cops

An opp is when you pull up on a nigga on his block

An opp is when he see you, guaranteed to be a ICU, that's an opp

What's an opp? An opp is when you shoot a nigga moms or his pops

An opp is when he dead, nigga still spinnin' blocks

An opp is when he see you, guaranteed to be a ICU, that's an opp

Biggie told you what beef is

I'm 'bout to tell you what an opp in the streets is

You don't care you fired shots, hit his nieces

Everyday you spin his block, you don't need friends

Got him playin' defense

Pull up to all his events, the baby shower, the babies holler

'Cause you shootin' at the baby father

An opp is when you airing out his man Jeep, layin' on his crib
for weeks

Still ain't get him so you can't sleep

An opp is when you slidin' on him, nah, an opp is when you fire
on him

Tell him suck a dick and he got it on him

An opp is when you hit him up in broad day 'cause you don't give
a fuck

An opp is when a Draco ain't big enough

An opp is when you sittin' up on the island

He bang, but he don't bang what you bang, so you get him touched

An opp is when you got a deal, but still gotta kill

'Cause if you get caught slippin', boom, boom, boom

What's an opp? An opp is when you shoot a nigga right in front
the cops

An opp is when you pull up on a nigga on his block

An opp is when he see you, guaranteed to be a ICU, that's an opp

What's an opp? An opp is when you shoot a nigga moms or his pops

An opp is when he dead, nigga still spinnin' blocks

An opp is when he see you, guaranteed to be a ICU, that's an opp
