

Ain't Nobody

Cascada

Captured effortlessly
That's the way it was
Happened so naturally
Did not know it was love
The next thing I felt was you
Holding me close
What was I gonna do?
Let myself go

And now we're flying through the stars
Hope this night will last forever

I've been waiting for you
It's been so long
I knew just what I would do
When I heard your song
You filled my heart with a kiss
You gave me freedom
You knew I could not resist
I needed someone

And now we're flying through the stars
Hope this night will last forever
Oh, oh, oh, oh

Ain't nobody (Nobody)
Loves me better (Loves me better)
Makes me happy
Makes me feel this way (The right way)
Ain't nobody (Ain't nobody)
Loves me better than you

I wait for nighttime to come
To bring you to me
I can't believe I'm the one
I was so lonely
I feel like no one could feel
I must be dreaming
I want this dream to be real
I need this feeling

I make my wish upon a star
Hope this night will last forever
Oh, oh, oh, oh

Ain't nobody (Nobody)
Loves me better (That makes me feel this way)
Makes me happy
Makes me feel this way (The right way)
Ain't nobody (Nobody, baby)
Loves me better
Ain't nobody
Loves me better than you

At first, you put your arms around me
Then you put your charms around me
I can't resist this sweet surrender

On a night so warm and tender
We stare into each other's eyes
And what we see is no surprise
Got a feeling most would treasure
And a love so deep we cannot measure

Ain't nobody (Ain't nobody)
Loves me better (That makes me feel this way)
Makes me happy
Makes me feel this way (The right way)
Ain't nobody (Ain't nobody)
Loves me better (Oh, nobody)
Ain't nobody (Oh)
Loves me than you
Ain't nobody (Nobody)
Loves me better (Loves me better)
Makes me happy (Oh)
Makes me feel this way
Ain't nobody (Nobody)
Loves me better (Oh)
Ain't nobody (Oh)
Loves me better than you
