

If You Could Read My Mind

Cascada

If you could read my mind, love
What a tale my thoughts could tell
Just like an old time movie
'Bout a ghost from a wishing well

In a castle dark or a fortress strong
With chains upon my feet
You know that ghost is me

I don't know where we went wrong
But the feeling's gone and I just can't get it back

If I could read your mind, love

If I could read your mind, love
What a tale your thoughts could tell
Just like a paperback novel
The kind the drugstores sell

When you reach the part where the heartaches come
The hero would be you
Heroes often fail

Never thought I'd fell this way
And I've got to say that I just don't get it

I don't know where we went wrong
But the feeling's gone and I just can't get it back

If you could read my mind

If you could
If you could
If you could read my mind

If you could
If you could
If you could read my mind

If you could read my mind, love
What a tale my thoughts could tell
Just like an old time movie
'Bout a ghost from a wishing well

If I could read your mind, love
What a tale your thoughts could tell
Just like a paperback novel
The kind the drugstores sell

When you reach the part where the heartaches come
The hero would be you
Heroes often fail

Never thought I'd fell this way
And I've got to say that I just don't get it

I don't know where we went wrong

But the feeling's gone and I just can't get it back

If you could read my mind

If you could

If you could

If you could read my mind

If you could

If you could

If you could read my mind
