

Playing For Keeps

Cascada

It's in your eyes
I know what you're thinking
You're hypnotized
And it ain't the drinking

I don't know why it's hard to breathe
Every time I think of you
You cut right to heart of me
I know that you feel it too (Woah, woah)

So tonight, yeah, I need your love
I know how to make you mine, are we dressing up?
We can have a real good time, more than physical
I want you to keep your eyes on me
I'm playing for keeps

(Keep-keep-keeps)
I'm playing for (Keep-keep-keeps)

Are you an illusion? 'Cause you can't be human
You know what you're doing to me
Our bodies are moving, we dance to the music
Baby, I'm playing for keeps (So tonight)

So tonight, yeah, I need your love
I know how to make you mine, are we dressing up?
We can have a real good time, more than physical
I want you to keep your eyes on me
I'm playing for keeps
Oh, tonight, yeah, I need your love
Ready for a ride-or-die, you could be the one
We can leave the world outside, baby, listen up
I want you to keep your eyes on me
I'm playing for keeps

Playing for keeps (Keep-keep-keeps)
I'm playing for (Keep-keep-keeps)
I'm playing for (Keep-keep-keeps)
I'm playing for (Keep-keep-keeps)

I don't know why it's hard to breathe
Every time I think of you
You cut right to heart of me
I know that you feel it too (So tonight)

So tonight, yeah, I need your love
I know how to make you mine, are we dressing up?
We can have a real good time, more than physical
I want you to keep your eyes on me
I'm playing for keeps (Keep your eyes on me)
Oh, tonight, yeah, I need your love
Ready for a ride-or-die, you could be the one
We can leave the world outside, baby, listen up
I want you to keep your eyes on me
I'm playing for keeps (Oh)

(Keep-keep-keeps)

I'm playing for (Keep-keep-keeps)
I'm playing for (Keep-keep-keeps)
I'm playing for (Keep-keep-keeps)
