## What Hurts the Most

I can take the rain on the roof of this empty house That don't bother me I can take a few tears now and then and just let them out

I'm not afraid to cry Every once in a while Even though going on with you gone still upsets me There are days Every now and again I pretend I'm ok but that's not what gets me

What hurts the most Was being so close And having so much to say And watching you walk away And never knowing What could have been And not seeing that loving you Is what I was trying to do

It's hard to deal with the pain of losing you everywhere I go But I'm doing it It's hard to force that smile when I see our old friends and I'm alone

Still harder Getting up, getting dressed Dealing with this regret But I know if I could do it over I would trade Give away All the words that I say In my heart that I left unspoken

What hurts the most Was being so close And having so much to say And watching you walk away And never knowing What could have been And not seeing that loving you Is what I was trying to do

Oh, oh, oh o-oh

I'm not afraid to cry Every once in a while Even though going on with you gone still Upsets me There are days Every now and again I pretend,i'm OK but that's not what gets me

What hurts the most
