

God Must Have Spent a Little More Time on You

Casey Abrams

Yeah...

Yeah hey

Oh yes, oh oh oh, yeah, yeah

Can this be true?

Tell me, can this be real?

How can I put into words what I feel?

My life was complete

I thought I was whole

Why do I feel like I'm losing control?

I never thought that love could feel like this

And then you change my world with just one kiss

How can it be that right here with me

There's an angel? It's a miracle

Your love is like a river, peaceful and deep

Your soul is like a secret that I never could keep

When I look into your eyes, I know that it's true

God must have spent a little more time on you

A little more time

Yes he did, baby

In all of creation

All things great and small

You are the one that surpasses them all

More precious than any diamond or pearl

They broke the mold

When you came in this world

And I'm trying hard to figure out

Just how I ever did without

The warmth of your smile

The heart of a child

That's deep inside, leaves me purified

Your love is like a river, peaceful and deep

Your soul is like a secret that I never could keep

When I look into your eyes, I know that it's true

God must have spent a little more time on you

A little more time

I never thought that love could feel like this

And you changed my world with just one kiss

How can it be that right here with me

There's an angel? It's a miracle

Your love is like a river, peaceful and deep

Your soul is like a secret that I never could keep

When I look into your eyes, I know that it's true

God must have spent a little more time on you

Peaceful and deep

Your soul is like a secret that I never could keep

When I look into your eyes, I know that it's true

God must have spent a little more time on you

Just a little more time on you...
