

I Don't Need No Doctor

Casey Abrams

I don't need no doctor
Because I know what's ailing me
I don't need no doctor
Because I know what's ailing me
I've been too long away from my baby, yeah
I'm coming down with a misery

I don't need no doctor
For my prescription to be filled
I don't need no doctor
I don't need no doctor
I don't need no doctor
For my prescription to be filled
Only my baby's arms could ever
Could ever take away this chill

Now the doctor says I need rest

But all I need is her tenderness
She gave me a medicated lotion
But it didn't soothe my emotion, yeah
I said baby, baby, please!
And she got down on her knees
I don't need no doctor
For my hope to live is gone
All I need is my baby, please!
Won't you please just come on home?

I don't need no doctor
Because I know what's ailing me
I don't need no doctor
Because I know what's ailing me
I don't need no doctor
