

# Maleah

Casey Abrams

I went to Egypt in a little plane  
I needed to get rid of this pain  
I went all the gypsy clubs in town  
I don't believe what an amazing woman I've found

Her name's Maleah  
That's what I'll say, yeah  
She was the right one for me  
She was me Maleah  
And you could see her  
Every night until three  
Maleah, the prancer  
She was my favorite gypsy dancer

The cool hot sun was making me upset  
And when I saw Maleah I really started to sweat  
She had healing powers in that dance  
They even called her over to heal the president of France

Her name's Maleah  
That's what I'll say, yeah  
She was the right one for me  
She was me Maleah  
And you could see her  
Every night until three  
Maleah, the prancer  
She was my favorite gypsy dancer

And even though I couldn't get her name quite right  
She caught my eye and I told her to come over that night  
She treated me right

Oh yeah, Maleah  
Oh yeah, Maleah  
She was the right one for me  
Oh yeah, Maleah  
Oh yeah, Maleah  
She kept me up till three  
Oh yeah, Maleah  
Oh yeah, Maleah  
Maleah is so fine  
Oh yeah, Maleah  
Oh yeah, Maleah  
Maleah, please be mine

Maleah, oh yeah
