

Pumpkin

Casey Abrams

Turn around and what you gonna do
Grab a knife and make your dreams come through
Slice it up and make it look nice
But it in a [?] and add a little spice

I've got a pumpkin, yeah yeah yeah
It's really something, yeah yeah yeah
I'm gonna cut it up into a pie
And then I'm gonna make it look like it's a guy

Trick or treat is coming to your hood
Eat a lot of candy it's really really good
Halloween is scary and fun
But carving pumpkins is my number one

And I've got a pumpkin, yeah yeah yeah
It's really something, yeah yeah yeah
I'm gonna cut it up into a pie
And then I'm gonna make it look like it's a guy because

I've got a pumpkin, yeah yeah yeah
It's really something, yeah yeah yeah
I'm gonna cut it up into a pie
And then I'm gonna make it look like it's a guy

Pumpkin carvings on the floor
I'm gonna pick it up and play with it some more
Play pretend it's so hardcore
I've never seen this type of behavior because

I've got a pumpkin, yeah yeah yeah
It's really something, yeah yeah yeah
I'm gonna cut it up into a pie
I'm acting kinda crazy so don't ask why because

I've got a pumpkin, yeah yeah yeah
It's really something, yeah yeah yeah
I'm gonna cut it up into a pie
And then I'm gonna make it look like it's a guy because

I've got a pumpkin, yeah yeah yeah
It's really something, yeah yeah yeah
I'm gonna cut it up into a pie
And then I'm gonna make it look like it's a guy because

I've got a pumpkin, [?]
It's really something, (coming to your neighborhood)
I'm gonna cut it up into a pie, (yummy in my tummy)
And then I'm gonna make it look like it's a guy because (a mouth with some e

I've got a pumpkin, (ooh)
It's really something, (yeah yeah yeah)

It's really something, yeah yeah yeah
I'm gonna cut it up into a pie
