

Be Mine

Casey Barnes

You think that love is gonna let you down
It's been a little Jekyll and Hyde
They say they're always gonna stick around
But then they seem to change their mind

You don't have to be scared, girl
I ain't playin' no games
I've read you cover to cover
And I love every page

I'm staying by your side
Baby, sign me up for life
No chance I'm ever changing
You feel the same, yeah
I love you from the inside
You don't even have to try
Forever's just a waste of time
If you ain't gonna be mine
(Mine, mine, mine)
If you ain't gonna be mine

Your heart has been a little hurt before
A little rust covering your shine
Knocked down, lying on the floor
With a little faith, you're gonna be alright

I swear I ain't gonna hurt you
I ain't runnin' away
I'm never gonna desert you
Girl, I'm here to say

I'm staying by your side
Baby, sign me up for life
No chance I'm ever changing
You feel the same, yeah
I love you from the inside
You don't even have to try
Forever's just a waste of time
If you ain't gonna be mine
(Mine, mine, mine)
If you ain't gonna be mine

If you could just let me in
I'd let the healing begin
With a little love, with a little trust
With a little bit of everything
Once I get under your skin
You'll know the waiting is over

I'm staying by your side
Baby, sign me up for life
No chance I'm ever changing
You feel the same, yeah
I love you from the inside
You don't even have to try
Forever's just a waste of time
If you ain't gonna be mine

(Mine, mine, mine)
If you ain't gonna be mine, yeah
If you ain't gonna be mine
(Mine, mine, mine)
Without you darling, forever's just a waste of time
If you ain't gonna be mine
