

# The Way We Ride

Casey Barnes

Oh yeah!

I know it might be crazy  
I gotta smile on my face  
I gotta smile on my face because of you  
They say I'm acting strangely  
I can't help the way I feel  
I can't help the way I feel when I'm with you  
You see love will make you lose your mind  
But it feels good every time!

Drivin' with the top down  
Living in a rain cloud  
With a little danger on your lips  
That fever when we kiss  
Rollin' in our t-shirts  
In that red dirt  
Now baby that feels nice  
It's crazy the way we ride

Oh we ride!

Now hearts are always racin'  
I like the way that feels  
I like the way the that feels you know I do  
They don't understand us  
They love to break the rules  
Might even look like fools so bring it on baby  
You see love will make you go insane  
But I'd do it all again

Drivin' with the top down  
Living in a rain cloud  
With a little danger on your lips  
That fever when we kiss  
Rollin' in our t-shirts  
In that red dirt  
Now baby that feels nice  
It's crazy the way we ride

Alright

Drivin' with the top down  
Living in a rain cloud  
With a little danger on your lips  
That fever when we kiss  
We're rollin' in our t-shirts  
In that red dirt  
And baby that feels nice  
It's crazy the way we ride

Top down  
Living in a rain cloud  
With a little danger on your lips  
That fever when we kiss  
Rollin' in our t-shirts  
In that red dirt

Now baby that feels nice  
It's crazy the way we ride

Yeah, yeah, yeah, yeah  
The way we ride
