

Unbreak My Heart

Casey Donahew Band

Well I wish I had a nickel
For every teardrop that I cried
I'd find me a wishing well
And I'd pitch 'em all inside
I wipe away your memory
With this pain runnin down my face
I can't find my fix
And I'm addicted to your taste

Chorus:

And I'm gonna pray your an angel by the morning
And hold onto hope for having none
I sit by the river where the water drifts apart
And pray time won't take too long to unbreak my heart

Well this road is a teacher
And I've learned to heal my soul
It keeps me off the white lines
But sometimes I lose control
And Lord knows I'm not perfect
But I'm close as I can get
I thought about it for a couple of weeks
And I'm sick of all your fits
