For You

Casey Donovan

Your heart is my soul
You life is my whole entire world
Your love is for me and nobody else ohoh why can't you see

Every breath that you take all the love that we make.
I know you'll be here for good

And i'll be here for you
'n i'll be here for you

For every second we're apart all the times that your not here t
o comfort me.
For every minute your
Not here you know that i miss you so much

Every breath that you take all the love that we make.
I know you'll be here for good

And i'll be here for you
'n i'll be here for you

Cause every second your not here every moment that we're apart
You know i'll be right here waitin, right here waitin for you

Every breath that you take all the love that we make...

I'll be there for you [x2]
Yeah yeah yeaha

I'll be there for you (for you yes i will)
I'll be there for you (i'll always be there)
I'll be there for you (for youoooo)
