

# Grace Wouldn't Leave Me

Casey J

Amazing grace  
Oh how sweet is that sound  
That saved my soul  
Grace wouldn't leave me alone  
I was lost  
But thank God now I'm found  
Grace wouldn't leave me  
It wouldn't leave me alone

I was sinking  
Far from the peaceful shore  
I was drowning  
Sinking to rise no more  
You came and grabbed me  
And lifted my eyes above the waves  
Grace wouldn't leave me  
It wouldn't leave me alone

Oh the grace reaching out for me  
I once was blind but now I see  
The blood is beautiful  
The blood is beautiful  
I don't hold on  
Cause it won't let go

I was broken  
I was empty and void  
Grace wouldn't leave me  
It wouldn't leave me alone

I was dying  
But grace it resurrected my soul  
Grace wouldn't leave me  
It wouldn't leave me alone

Oh the grace reaching out for me  
I once was blind but now I see  
The blood is beautiful  
The blood is beautiful  
I don't hold on  
Cause it won't let go

Grace was lifted  
On a hill called Calvary  
Grace wouldn't leave me  
It wouldn't leave me alone

But He didn't stay there  
Up from that grave on day three  
Grace wouldn't leave me  
It wouldn't leave me alone  
Grace wouldn't leave me  
It wouldn't leave me alone

Oh the grace reaching out for me  
I once was blind but now I see  
The blood is beautiful

The blood is beautiful  
I don't hold on  
Cause it won't let go

It's holding me in darkness  
It's holding me in fear  
It's holding me in sadness  
His joy will appear  
It's holding me in weakness  
His strength is perfect here  
I don't hold on  
Cause it won't let go

It's holding me in darkness  
It's holding me in fear  
It's holding me in sadness  
His joy will appear  
It's holding me in weakness  
His strength is perfect here  
I don't hold on  
Cause it won't let go

I don't hold on  
Cause it won't let go
