

I'm Yours

Casey J

We belong to you Lord
We belong to you...

So your song flow through my lips
Your work move through my hands
Your thought stay on my mind
Live in me
Your song flow through my lips
Your work move through my hands
Your thought stay on my mind
Live in me

And you can have all of me
Have all of me
Have all of me
Cause I'm yours
And I give you all of me
Give you all of me
God here's all of me
I'm yours
God I'm yours
Yes I'm yours

So your song flow through my lips
Your work move through my hands
Your thought stay on my mind
Live in me
Your song flow through my lips
Your work move through my hands
Your thought stay on my mind
Live in me

You can have all of me
Have all of me
Have all of me
Sing I'm yours
And I give you all of me
Give you all of me
God here's all of me
I'm yours
God I'm yours
Yes I'm yours

God your words my mouth
Your thoughts my mind
And your love my heart
And here's all of me
God your words my mouth
And your thoughts my mind
And your love my heart
Here's all of me

You can have all of me
Have all of me
Have all of me
Sing I'm yours
And I give you all of me

Give you all of me
God here's all of me
I'm yours
