

The Gathering

Casey J

We have gathered here together
With one agenda, and it is You alone
One agenda, and it is You alone
One agenda, and it is You alone

Even so come
Come, we're ready for Your presence
Come and change our vision, eyes on You
Come now, we're desperate
Come, we're desperate, hearts are open
Jesus, come, come quickly, come

So we have, we have gathered here together
With one agenda, and it is You alone
Just one agenda, and it is You alone
Just one agenda, and it is You alone

Even so come
Come, we're ready for Your presence
Come and change our vision, eyes on You
Come now, we're desperate
Come, we're desperate
Our hearts
Hearts are open
Jesus, come, come quickly, come
Even so come, we're ready
Come, we're ready for Your presence
Come and change our vision, eyes on You
Come now, we're desperate
Come, we're desperate
Our hearts are open
Hearts are open
Jesus, come, come quickly, come

And this is our prayer
(Your kingdom come, Your will be done)
On earth as it is (On earth as it is in Heaven)
Your kingdom come (Your kingdom come)
Your will be done (Your will be done)
On earth as it is (On earth as it is in Heaven)
Your kingdom come (Your kingdom come)
Your will be done (Your will be done)
Your kingdom come (Your kingdom come)
Your will be done (Your will be done)
Your kingdom come (Your kingdom come)
And Your will be done right here tonight, Lord (Your will be done)
Hey! (On earth as it is...)

Even so come, we're ready
Come, we're ready for Your presence
Come and change our vision
Our eyes are set on You
Eyes on You
Come now, we're desperate
Come, we're desperate, hearts are open
Jesus, come
Come quickly, Lord

Come quickly, come

Sing Your Kingdom come
(Your kingdom come, Your will be done)
Sing Your kingdom come (Your kingdom come)
Your will be done (Your will be done)
Your kingdom come (Your kingdom come)
Your will be done (Your will be done)
On earth as it is in Heaven (On earth as it is...)

And this is our prayer
We want to see You
We want to see You
God, this is our prayer
As it is in Heaven
Let it be right here

Let's sing this together
