

# Let's Don't Call It a Night

Casey James

Love the way you look in that dress  
You've got me thinkin' thoughts in my head  
The way your body's movin' slowly to the music only leaves me wantin' more

So baby let's don't call it a night  
Love the way you're holdin' me tight.  
When you're next to me, there's no place I'd rather be  
Everything is feeling so right  
So baby let's don't call it a night

Just let that clock tick away  
Cause in the morning we can sleep in late  
Right now let's spend our time on what we've got in mind  
I'll get up and close the door

Let's don't call it a night  
Love the way you're holdin' me tight  
When you're next to me, there's no place I'd rather be  
Everything is feeling so right  
Oh baby let's don't call it a night

Well baby's lets don't call it a night  
I love the way you're holdin' me, holdin' me tight.  
When you're next to me, there's no place I'd rather be.  
Everything is feeling so right  
So baby let's don't call it,  
No let's don't call it a night,  
No, no, no, no
