

## Any Port In A Storm

Casey Jones

Another trap that i feel for  
Several in the past  
I'm sure there will always be more  
Nothing ever last  
Times dreams  
Problems i have  
All alone  
Friends that i have  
No matter where in the world you are  
Everything's the same  
Times lessons have taught me well  
Hardships and mishaps  
Will i find my role in life & will it ever last?  
Times dreams  
Problems i have  
All alone  
Friends that i have  
No matter where in the world you are  
Everything's the same  
Times dreams  
We'll always have
