

Any Port In A Storm

Casey Jones

Another trap that i feel for
Several in the past
I'm sure there will always be more
Nothing ever last
Times dreams
Problems i have
All alone
Friends that i have
No matter where in the world you are
Everything's the same
Times lessons have taught me well
Hardships and mishaps
Will i find my role in life & will it ever last?
Times dreams
Problems i have
All alone
Friends that i have
No matter where in the world you are
Everything's the same
Times dreams
We'll always have
