

# Come On

Casey Veggies

We can get it in ha ha

She said she wanna hang with the young nigga  
She could do her thang if she want nigga  
Come on come on come on girl we can get it in

Damn here we go again  
Got a girl number now I'm on her friend  
She ain't believe me when I said I get it in  
But then she asked her friend  
And she said he the man yaaaaah  
Yeah she right I be doing everything that I swear she like  
And she know that I'm a trip like I'm catching a flight  
And I glide up in it like I'm flying a kite  
Life is a game trynna come out winning  
She don't wanna come on but she gonna come out sinner  
And I might go down make her yell out timber yeah [ha ha]  
Sweater flow so cold swear girl never ever told me she too old  
The way I spit game she like he too bold  
Cause I just don't care she come and she go  
Said it cause I want you to know if you want you can go

She said she wanna hang with the young nigga  
She could do her thang if she want nigga  
Come on come on come on girl we can get it in

Look, we can get it in bring your friends  
But don't come broke girl bring your end  
Just heard you wanna ride me like a maybach benz  
Ride a pimp four bitches in a whip with a ten  
I'm the shit girl you can smell the scent  
Ass sex feel splendid, what you spent on your rent ha ha  
Pop pop pop popped on this track like a fence  
Swagger so dumb she said it don't make no sense  
But girl I know you like that  
Write me on my sidekick I'm a write back  
Like your water broke girl let me pipe that  
And I don't fuck in the daytime I'm a night cat  
I'm YGif you didn't know I'm just trynna see that thong like cisco  
Girl we can get it in in the limo anywhere at anytime if you a nympho

She said she wanna hang with the young nigga  
She could do her thang if she want nigga  
Come on come on come on girl we can get it in

I ain't lie about my age she respect me for that  
She know I'm about to be paid as she check me for that  
Get it she gon' like me for that she with it I get it  
Guess I'm holding her back uh now they know where we at  
Shaded up in the back all my homies rap shit I'm leading the pack  
All them do is whack so come on yea

I ain't got time for the games nigga fuckin the back  
And keep it G I get head while I'm puffin the black  
Nigga got cheese so you know I got the racks  
You know I'm YG I got a couple of racks

She hold a nigga tough I'm like hold up  
I heard the homie is shit I'm like so what  
Out for pushing ain't girl you know us  
Gave her my address and tell her show up

She said she wanna hang with the young nigga  
She could do her thang if she want nigga  
Come on come on come on girl we can get it in

Ha ha you already know what it is mothafucka  
This your mothafucka Y mothafucking G biaaaaatch  
Ha ha for seek though you already know  
All your mouth is like nigga pussy with that love life  
I'm in the studio fuckin fuckin pimpiiiiiin  
Busta holla at me ayeeee
