

I Got It

Casey Veggies

If you need it, I got it yeah yeah yeah
She gone pull up on me when I say cause I'm poppin
Big racks in my pocket
That's why she thuggin with me
She only pop it for me
She keep it solid it with me
Cause she know if she need it I got it

She know she need it then I got it
We can vacate to the tropics
She know she ain't the only option
My only reason in these streets I need a profit
So don't be bringing up these bitches need to stop it now
Just drop it down
Every time you see me when I pull up to your town yeah
Love how I beat it up no catching feelings going rounds yeah
The neighbors trippin bout the sounds yeah yeah
We hit the mall you get whatever that you need
You know I ain't trippin got the Benz plus the deed
Nothing like your other niggas baby I'ma different breed
I know exactly what you want
I know exactly what you need
That's why she slide my way
Love the vibe my way
She don't wanna go it it's not my way
She come right my way, any time any day
She need a nigga like me in her life yeah

If you need it, I got it
She gone pull up on me when I say cause I'm poppin
Big racks in my pocket
That's why she thuggin with me
She only pop it for me
She keep it solid it with me
Cause she know if she need it I got it

Girl too grown, new paint job the coupe two tone
I ain't have no time to store your number I got two phones
Counting up them hunnids
I ain't on that shit your boo on
Seen her at the function damn I had to make a on her
I talk big Ms
If it ain't bout no money nigga move on
Big Benz, pull up on me baby don't take too long
Girl you can't be fucking with no lame and try to choose on me
I'm way to 100 for you to be playing
Shawty want me blow her backend till it max out
Pulling up and I'm going crazy til lil baby pass out
She ain't think that I was the one til I pulled the bag out
Stayed down and kept on grinding when they took the fast route
She rather fuck with a savage yeah
That get money on automatic yeah
All my babies done been the baddest yeah
If I'ma tell you something bout me
She stand on her on two
I guess she my speed

If you need it, I got it
She gone pull up on me when I say cause I'm poppin
Big racks in my pocket
That's why she thuggin with me
She only pop it for me
She keep it solid it with me
Cause she know if she need it I got it
