

Pandemic

Casey Veggies

Yeah, new whip, woah
New bitch, same clique, I can't switch, no
She'll do it on the floor
Shawty wanna fuck slow
I need a hundred show
I keep lil baby on glow
Pillow talking for that ho, that ain't my mans nigga
I'm here to get, ain't taking no pics, I ain't no fan, nigga
Young niggas balling, copped new whips up in the pandemic
My young nigga Kai up on the beat, this shit gon' jam, nigga
The shit they talking not official, I can't stand niggas
The way they hate [?] I don't understand niggas
Why you ain't keeping that same energy when you had your mans w
ith you?
Oh, you a tough guy? Think you hot? Let that fan hit 'em
She like the way I pulled up in that brand new edition
Push to start, don't need no key, it ain't got no ignition
These lil hoes is bad, these lil niggas talk
His soul should get bought when I'm in New York
I flew her from the Bay, but she can't be my bae
She chose up on me, do she like me 'cause I'm from LA?
I ain't really worried 'bout it, we on different pages
I grew up going through that grind, I had to go through phases
Top shotter, red bottoms on her purse
Keep a forty in her shirt
If she mine I'ma put her to work
If I do some dirt I promise I won't say a word
Young nigga put his heart in this rap shit, he just wanna be he
ard

Pillow talking for that ho, that ain't my mans nigga
I'm here to get, ain't taking no pics, I ain't no fan, nigga
Young niggas balling, copped new whips up in the pandemic
My young nigga Kai up on the beat, this shit gon' jam, nigga
