

## Sauna

Casey Veggies

It's so irregular, younger, but so ahead of you  
I put her friend on the leash same time I was petting her  
I'm the type to pull up in the new coupe, spit it like a movie,  
nigga no spoofs  
It's like I put my flow down on my notepad and my ho pad when s  
he was opening those legs  
You the type of nigga probably rock Pro-Keds  
Got no swag, homie that shit so sad  
I'm the illest, all hype killer, thinking something bigger like  
an all white dealer  
She look too bad, then I might have to hit her, got girls in li  
ne, and girls on their grind

Oh, man, I came in this bitch with a lot more money and a lot m  
ore chips  
Bad little mama, hotter than the sauna  
Got on my Pradas, and I'm looking like a scholar  
Oh, man, I came in this bitch with a lot more money and a lot m  
ore chips  
Bad little mama, hotter than the sauna  
Got on my Pradas, and I'm looking like a scholar

I'm so out of here, you should call the coast guard  
Above most y'all, but I don't boast at all  
Ball hard like when I was in my backyard  
You slack dogs still trying to touch backboard  
I don't see nobody, party with my posse  
We be gettin naughty like relationships on Maury  
Had a dream, now it's partial, I get money, like the stories  
Like some meals on my team, big money like I'm 40  
I'm like Obama when I come through the town  
Do my round, let's shut this shit down  
You probably never know my mind  
But I'll tell you something right now, it's my time

Oh, man, I came in this bitch with a lot more money and a lot m  
ore chips  
Bad little mama, hotter than a sauna  
Got on my Pradas, yet I'm living like a scholar
