

Darling

Casey

Sleep seems to evade me
I just spend the whole night pacing
In the hallway where I used to hear your footsteps on the floor
I've been so low, and maybe
I've been thinking about us lately
But I guess that doesn't matter anymore

I just called to say I'm

Sorry, darling, but I've been wasting my time
Rotting the teeth out of my head
Trying hard to swallow
The sweetest sentiments I can't express
And I know that you told me to leave you alone
But yours is still the only love I've ever known

Sorry, darling, but I've been wasting my time
Rotting the teeth out of my head
Trying hard to swallow
The sweetest sentiments I can't express
And I know that you told me to leave you alone
But yours is still the only love I've ever known
