

# Here And Now

Cash Cash

Swimming through the world  
I wanna get all around  
Let's get lost in time  
I wanna feel just like

Shooting stars  
In the stage  
Like holding the miles  
I don't care  
Only life  
There's only  
There's only

Here and now!  
I can see it  
I can feel it take control  
Here and now!  
Said I need it  
Let the music heal your soul  
Oh oh oh, oh oh oh  
Oh oh oh, oh oh oh  
Here and now!  
Said I need it  
Let the music heal your soul

I can feel it  
Feel it  
I can feel it take control

Here and now!

Swimming through the world  
I wanna get all around  
Let's get lost in time

Here and now!  
I can see it  
I can feel it take control  
Here and now!  
Said I need it  
Let the music heal your soul  
Oh oh oh, oh oh oh  
Oh oh oh, oh oh oh  
Oh oh oh, oh oh oh  
Oh oh oh

Here and now!  
I can see it  
I can feel it take control  
Here and now!  
Said I need it  
Let the music heal your soul  
Oh oh oh, oh oh oh  
Oh oh oh, oh oh oh  
Here and now!  
Said I need it  
Let the music heal your soul

I can feel it  
Feel it  
I can feel it take control

Here and now!
